RE: Case # 7:07-CV-996 (TMJ/GJD) ORDER (SEP 26 2008)

Sir:

I have received the order dated September 26, 2008, on 01 October 2008, and have carefully read and understood its contents. I must admit that it was not intended to violate any local or court rule by copying my last few correspondences to Mr. Berg, my former legal counsel. Also, I have not been in contact with Mr. Berg since shortly after being informed that he could no longer represent me.

As requested I have prepared an affidavit and supporting documentation. I have not received the court's September 16, 2008, order referred to in the order filed on September 26, 2008.

To comply with the court requirement I will follow the FEDERAL RULE OF CIVIL PROCEDURES 15, and file the motion to have the complaint amended. Also, please note that owing to the Army's need for me to fulfill duties at another duty station I will be communicating with the court from the above address until further notice.

Respectfully,

C. Earl Grant, M.D.
C. Earl Grant, MAJ, M.D., Ph.D.
